Re: United States v. Roy Martinez, 24 Cr. 309 (DEH)

Dear Judge Ho:

The Government submits this letter with the consent of defense counsel and the United States Probation Office ("Probation"), to respectfully request an approximately 60-day adjournment of the violation of supervised release ("VOSR") conference currently scheduled for February 12, 2025, in the above-captioned matter.

As the Court is aware, violations six through eight in the amended violation report dated November 6, 2024 (the "Violation Report"), relate to a pending criminal case in Bronx County. The Government understands that the defendant's next appearance in the Bronx County criminal case is scheduled for April 9, 2025, and that the Bronx County District Attorney's Office is seeking to indict the defendant in connection with that case before April 9. Accordingly, the Government requests that the Court adjourn the conference for approximately 60 days to allow time for the state case to progress and for the parties to be able to discuss the next steps in the pending VOSR proceedings. The parties are generally available during the week of April 14, 2025, other than the morning of April 15.

Respectfully submitted,

DANIELLE R. SASSOON
United States Attorney
